

Accessible Housing Program

INTRODUCED BY THE REDEVELOPMENT AUTHORITY OF THE COUNTY OF WESTMORELAND

Are you or someone you know affected daily with difficulty maneuvering through their home? Reach out to the Redevelopment Authority and see how we can help!

A grant has been awarded to the RACW to focus on people with permanent physical disabilities.

Assistance is available to household incomes up to \$58,000 and based on applicant's need. Our goal is to provide the necessary resources with ramps or stair lifts to allow accessibility to those physically disabled.
